

September 2017

Dear Parents,

St. Francis Xavier's After-School Program will begin on **Monday, September 11th**. If you wish to enroll your child in the program, please return a completed application form.

**NO CHILD MAY ATTEND THE PROGRAM UNTIL
THE APPLICATION FORM IS RETURNED.**

The After-School Program provides children with a safe, caring environment staffed by faculty members. Children who have been in school all day need an opportunity for different forms of recreation before concentrating on homework and other academics. With this in mind, the program is organized with special times for individual and group activities, outdoor playtime (weather permitting), art/crafts, as well as an opportunity each afternoon for homework, study, and reading.

Please note that we do not provide your child with a snack. Therefore, please be sure to send an After-School snack with your child every day he/she will attend the After-School Program.

We look forward to working with you to provide an After-School Program that will meet the needs of your child.

Sincerely,

Mrs. Angela Deegan
